

Choices Counseling & Skills Center is pleased offer:

Traumatic Grief:

Guiding Clients Through Sudden & Unexpected Loss

LIVE ONLINE COURSE

Working with clients after a traumatic loss requires specialized clinical skills. This CE-eligible course provides practical tools and evidence-based interventions to help clinicians effectively support grieving clients.

Participants will learn:

- Strategies for creating safety and stabilization
- Techniques for emotional regulation
- Facilitation tools for continued bonds
- Skills to assist clients living with long term loss
- Clinical interventions from Narrative Therapy, DBT, and CBT
- Approaches for creating meaning and purpose after loss

Date: Two day workshop - November 6th & 7th (9am-4pm PT - includes two 15-minute breaks and a 30-minute lunch break)

Registration fee: \$425
